FIRE TRAINING COORDINATOR – JOB DESCRIPTION

DISTINGUISHING FEATURES OF THE POSITION

The primary responsibilities of the fire training coordinator is to develop, plan, and manage a wide range of fire service related training programs for Franklin County fire departments and other public safety emergency response organizations; provide assistance to fire department training programs; interact with fire department training officers to determine department training needs and coordinate training programs and schedules; assist with coordination of special training programs; coordinate and interact as a liaison between the training center and fire service training providers; and ensure compliance with all DEP, OSHA, Pennsylvania State Fire Academy and NFPA requirements, regulations, and standards. The fire training coordinator actively supports and upholds the Franklin County Public Safety Training Center's (FCPSTC) stated mission and values. Under direct supervision of the Franklin County Public Safety Center Board of Directors, this position oversees the administration and implementation of programs and strategic plan of the Franklin County Public Safety Training Center.

EXAMPLES OF THE WORK PERFORMED (ILLUSTRATIVE ONLY)

- Plans, develops, schedules, coordinates, and implements the full range of fire / rescue training programs for Franklin County fire departments.
- Plans and schedules training programs, drills, and exercises.
- Ensures classrooms and training grounds are returned to a training-ready state at the conclusion of fire training exercises.
- Oversees and coordinates the attendance and participation of attendees at training and professional development programs. Reports attendance and non-attendance at training programs.
- Leads a regional fire training program in a manner that supports and guides the organization's mission.
- Communicates effectively with the FCPSTC Board of Directors and the Franklin County Fire Chiefs' Association (FCFCA) and provides timely and accurate information for the FCPSTC Board of Directors to function properly and make informed decisions regarding the administration of its fire training program.
- Ensures fiscal integrity of FCPSTC training programs to include submission of a proposed annual budget to the Board and maintaining a detailed account of all expenditures.
- Ensures fiscal management operating within the approved budget, maximum resource utilization, and maintenance of the organization in a positive financial position.
- Ensures compliance with NFPA, DEP, and OSHA regulations and standards and FCPSTC rules and regulations.
- Manages the FCPSTC training facility including requesting work orders, requisitions, repairs, and supplies.
- Creates and distributes training announcements for all EMS/Fire/Rescue training programs.
- Maintains registration and attendance information for all EMS/Fire/Rescue training programs.

- Responds to questions, complaints, inquiries regarding fire / rescue training programs received via fax, mail, email, FCPSTC website, and/or social media sites.
- Coordinates opening / closing of training center with instructors, facilitators, and keyholders.
- Performs related duties, as assigned.
- Selects, trains, and supervises facilitators.

ADMINISTRATIVE DUTIES

- **Budgetary:** This position has partial responsibility for budgeting at the program level including developing budgets in support of approved fire training programs and ensuring training facility resources and needs are managed appropriately.
- **Strategic Planning:** This position has full responsibility for strategic planning at the program level including developing an annual budget for all fire training and the development of an annual training plan for multi-company training programs, exercises, and drills.
- **Policies/Procedures:** This position has partial responsibility for policies and procedures at the program level including ensuring that all Franklin County Public Safety Training Center policies and procedures are adhered to at all times by training program participants.
- **Compliance:** This position has full responsibility for ensuring compliance with appropriate DEP and OSHA requirements, NFPA standards for live fire and other training exercises, and all Franklin County Public Safety Training Center rules and regulations.
- **Reporting:** This position has full responsibility for reporting to the FCPSTC Board of Directors and the Franklin County Fire Chiefs' Association on the status of all training programs conducted by the FCPSTC, and any required reporting to Federal/State/Local agencies regarding training programs conducted by the FCPSTC, including investigative and/or regulatory interactions regarding training programs.

MINIMUM EXPERIENCE AND TRAINING

- Ten years of documented fire service experience
- Must have good computer skills, outstanding communication skills and possess excellent organizational skills.
- Must demonstrate a positive attitude and professional work ethic

PREFERRED EXPERIENCE AND TRAINING

- Experience in the administration, implementation, and evaluation of a fire / rescue training program
